Re: Atlasjet v. EADS Aeroframe Services, et al.
Case No. 07-cv-00037-JJF

Dear Judge Farnan:

As you know we represent the plaintiff, Atlasjet, in the above-referenced matter. As discussed in our March 26, 2008 letter, the Honorable Richard J. Sullivan has not ruled whether jurisdiction can be maintained in New York. As of this date Judge Sullivan still has not ruled in the matter. Pending the outcome of that Motion, the action in Delaware may be dismissed.

If the Court views it necessary, we can file a motion to stay the action here in Delaware pending the ruling in New York. At this time we request an additional leave from the Court's requirement of filing the Rule 16(b) statement.

Thank you for your consideration in this matter.

Very truly yours,
